

INTERIM REPORT

Mr. Vergara, born on 12/19/1986 in Venezuela, has been working at our location in Stuttgart as Software Developer, Sharing since 01/01/2020. Mr. Vergara is in a unlimited employment relationship.

GOVECS AG is the leading manufacturer of electric scooters in Europe and develops forward-looking solutions for urban mobility. The company's success is based on high-quality "Made in Europe" products for international sharing platforms and on customized concepts for the fast-growing delivery industry. Via its own trading platform GOVECS Scooter, GOVECS sells electric scooters and accessories in the high-growth private customer segment.

We are preparing this interim report at the request of Mr. Vergara due to requirements on his side in the course of his application for a place on a master's programme. We thank him for his performance and look forward to further successful cooperation.
